

Dan Elijah Astrera // Aspiring User Experience

elialfonsen709@gmail.com // +1 (914) 733-8918

OBJECTIVE

I am a SUNY College of Oneonta graduate, worked as an intern at Bookstr, a digital media company and currently working towards a certificate in User Experience at Westchester Community College. I am a self-starter with graphic and web design experience, both in the classroom and self taught. I have decided to pivot my career into the UX field and am looking into an internship or entry level job position.

EXPERIENCE

Graphic Design Intern, at Bookstr September 2019- February 2021

- Assist in the design of outreach and marketing materials.
- Assist in creating graphics for social media.
- Presentation and communication skills.
- Organized, punctual, and good at prioritization.
